Installation Procedure

1. For countertop installation, drill four holes for the mounting bolts in the desired location. Use the SpacePole Mount base as a template for locating the holes. Install the SpacePole Display Mount and secure with screws (4) or bolts (4) included in the hardware pack or with your preferred fasteners.

2. Install the Flange Cover.

Flange Cover

70687

3. Attach the POS display to the SpacePole arm by sliding the bracket tabs into the head slots.
> 📝 **Note**
> For XL Displays, connect the cables to the back of the display before mounting the display on the bracket.
