15" USB DynaKey Magnetic Stripe Reader

Kit Instructions

Issue A

Revision Record

Issue	Date	Remarks
A	Aug 2009	First issue

Introduction

This kit provides an optional Magnetic Stripe Reader (MSR) that installs on the side of the USB 5954 DynaKey.
26933

There are four versions:

| Kit No.	Description
5954-K121	JIS (Beige, G11)
5954-K122	JIS (Charcoal, CG1)
5954-K123	3-Track ISO (Beige, G11)
5954-K124	3-Track ISO (Charcoal, CG1)

Installation Procedures

Caution: Static Electricity Discharge may permanently damage your system. Discharge any static electricity build up in your body by touching your computer's case for a few seconds. Avoid any contact with internal parts and handle cards only by their external edges.

1. Disconnect the USB/Power and video cables.

2. Lay the display face down on a flat surface.

3. Remove the Access Cover by gently bumping it in the direction shown below and then remove it from the cabinet.
