CCP-83088

Part Number	Description
497-0536629	7371-K110 XL15 (2nd Display) Mount
497-0536628	Secondary Display Bracket Assembly
006-8624498	Screw - M4X.7X8Mm, Flat Head, Stainless (4 pcs)
* 497-0423108	Instructions Kit (Reference Sheet)

* Items marked with an asterisk are not called out on the image.

Installation Procedure

To install the 7371-K110 XL15 (Secondary Display) Mount, follow these steps:

1. Remove the primary Terminal Display. For more information, refer to **"Removing the primary Terminal Display"** on page 11.

2. Remove the Rear Cosmetic Cover. For more information, refer to **"Removing the Rear Cosmetic Cover"** on page 12.

3. Attach the Bracket Assembly to the Secondary Display Pole and secure using two (2) M4 screws on each side, as shown in the image below.

> 📋 **Note**
>
> The Secondary Display can also be attached to the Tri-Light/Lane Light Pole, which has the same mounting holes with the Secondary Display Pole.

CCP-84494

4. Connect the Display cables and route them according to the imprinted routing guide, as shown in the image below.

   a. Connect the Display Power Cable and route straight down.

   b. Connect the Display Port Cable and route straight down.

> **📑 Note**
>
> The Audio Cable is not installed in the unit.
