# Introduction

This kit provides housing components for the Rugged Keyboard (2336-K212) that is installed on the Kiosk Full-Page and Receipt Printer Pedestals. The Keyboard Bottom has an opening to accommodate a scanner. The keyboard is ordered separately.

## Components

31460

This kit provides a filler plate that contains an N5680 Imaging Scanner for the kiosk pedestals listed below.

For installation instructions see:

- *Kiosk Full-Page Printer Pedestal Kit Instructions (7409-K065)*
- *or*
- *Kiosk Receipt Printer Pedestal Kit Instructions (7409-K066)*
