* Items marked with an asterisk are not called out on the image.

Installation Procedures

Installing Stabilizer Solution on the NCR Voyix SelfServ™ Checkout (7707) unit involves the following procedures:

1. Install the Core Skirt Panels if necessary. For more information, refer to "**Installing Core Skirt Panels**" on the next page.

2. Install the Stabilizer Brackets. For more information, refer to "**Installing Stabilizer Brackets**" on page 10.

> 📝 **Note**
> Use a spirit level to make sure that the unit is level down properly.
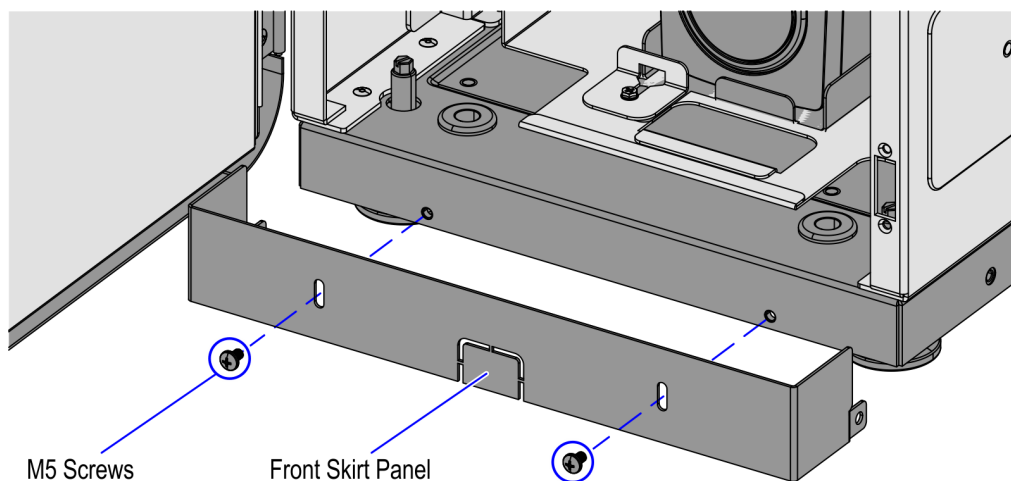

Installing Core Skirt Panels

To install Core Skirt Panels on the NCR SelfServ Checkout (7707) unit, follow these steps:

1. To install the Front Skirt Panel, do the following:
   a. Unlock and then open the NCR Voyix SelfServ™ Checkout (7707) external door, using a key.
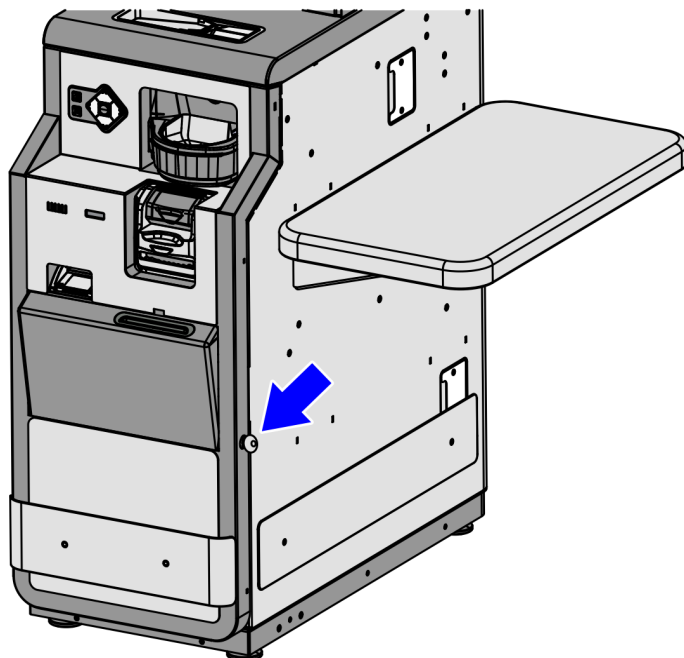

CCP-74422

   b. Install the Front Skirt Panel using two M5 screws as shown in the image below.
