Installation Procedure

1. Secure the Wall Mount Bracket (with arrow pointing up) to vertical surface using lag screws (4). Make sure you install the screws into the studs or that you use hardware of similar strength. Use the bracket as a template to mark the location of the holes or use the dimensions shown below.

    Note: The recommended viewing height for the terminal is 1.2 m (48 in.) from the floor.

199 mm
(7.8 in.)

130 mm
(5.1 in.)

59 mm
(2.3 in.)
